

# How 1820?

**BASE\_1:** Father HM Sahadul expired on 11-03-1974 at the age of about 80 years

- DoB of HM Sahadul => 11-03-1974 Minus 80yrs => 1894 AD
- At the age of about 25yr Baba Mohar's first son HM Sahadul born so DoB of Baba Mohar => 1894-25 => 1869 AD
- At the age of about 25yr Baba Kangali's first son Mohar born so DoB of Baba Kangali => 1869-25 => 1844 AD
- At the age of about 25yr Baba Judan's first son Kangali born so DoB of Baba Judan => 1844-25 => 1819 AD

**BASE\_2:** GrandFather Baba Mohar purchased chak land on 24-10-1921 as per deed. His age on that date may be assumed about 50 years.

- DoB of Baba Mohar => 1921-50 => 1871 AD
- At the age of about 25yr Baba Kangali's first son Mohar born so DoB of Baba Kangali => 1871-25 => 1846 AD
- At the age of about 25yr Baba Judan's first son Kangali born so DoB of Baba Judan => 1846-25 => 1821 AD

I therefore consider the DoB of Baba Judan as **1820 AD**.
